About Me

What do I bring to the table?

I have got 5+ years of diverse leadership and management experience. My perfectionism makes me detail-oriented which I use it to my advantage to spot rare issues and communicate them with my team in order to seek the best solution possible.

I don't want...

...Just another job. I love to solve problems and to be part of a team who work on a challenging projects and continually learn and improve our skills.
