About Me

What do I bring to the table?

I have got 5+ years of diverse leadership and management experience. I am very detail-oriented which I use it as my advantage to spot rare issues that may occur and communicate them with my team in order to achieve our goals.

I don't want...

...Just another job. I love to solve problems and to be part of a team who work on a challenging projects and continually learn and improve our skills.

Experienced With

HTML5 & CSS3
Express.js
PostgreSQL
MySQL
MongoDB

Javascript
Node.js
Redis
NPM
GitHub

AWS
React & Redux
Docker
REST API
TypeScript
